Resident Assembly Business Meeting

March 24, 2022

AAOS Annual Meeting in Chicago, IL

Dr. Austin Beason, Chair of the AAOS Resident Assembly Executive Committee – Welcome

Dr. Julie Samora, Chair, 2023 AOA's C. McCollister Evarts Resident Leadership Forum

1. AOA's mission is to engage the orthopaedic community to develop leaders, strategies, and resources to guide the future of musculoskeletal care.
2. AOA Leadership Opportunities: Resident leadership forum (PGY 4); Emerging leaders program (PGY 5); Traveling fellowships (age 35-45).
3. There are regional leadership meetings, a leadership institute, and critical issue symposia at each annual meeting.
4. AOA/CORD Orthopaedic Residency Information Network (ORIN) More information: https://www.aoassn.org/cord-orthopaedic-residency-information-network-orin/
5.

Advisory Opinion Update

1. 2020-2021 – Social media guidelines created, JAAOS Unplugged expansion; OSIG toolkit/medical student roadmap live on website.
2. 2021-2022 – Improve collaboration with AAOS councils and committees; Residents as educators webinar series; Increase resident involvement in the PAC – all AOs to continue through 2022-2023.

Proposed Resident Assembly Goals for 2022-2023

1. Improve resident and delegate engagement
2. Continue to foster collaboration with AAOS Councils and Committees
3. Increase resident delegates of 10% (currently 155)
    a. International members, too? Maybe representatives by country.
4. Produce 12 AAOS Career Podcast episodes
5. Host quarterly Medical Student virtual forums

Vote: Approved.

Proposed changes to Resident Assembly Structure

- Eight members on each subject matter committee (1 Chair, 4 delegate resident members, 3 resident members)
- Members apply through CAP program, new members would be selected by subject matter chair
- One year term with option of reappointment through end of residency.
- Medical Student virtual forums to be held quarterly
- Resident delegate role more defined to ensure regular communications about sub-committee work is shared across the Resident Assembly

Vote: Approved.

Member-at-Large Applicants

- Dr. Sarah Nelson
- Dr. Assem Sultan

New members approved.
