REQUEST FOR ELECTRICAL SERVICE INSTRUCTIONS AND CONDITIONS

1. Orders must be received a minimum of thirty (30) days prior to scheduled event opening for discount rates. Orders received less than thirty (30) days prior to scheduled event opening will be charged at the standard rates.
2. Conditions for processing service order forms:
 - A. Payment for service must accompany service orders. NO EXCEPTIONS!
 - B. Personal checks will not be accepted.
 - C. Incomplete hook-up or power requirement information will delay processing.
 - D. Booth number(s) must be identified on the face of the form.
 - E. Location of power in booth must be designated. Diagrams indicating booth orientation are required.
3. Payment IN FULL must be rendered on ALL orders. NO EXCEPTIONS! Service will not be installed if payment is not received.
4. Rates listed for all connections include bringing the service to booth in the most convenient manner and DO NOT INCLUDE connecting equipment, special wiring or labor.
5. Additional service charges and labor charges may be assessed for installations. Payment must be rendered IN FULL when billed during the event. Service may be interrupted if payment is not received. NO EXCEPTIONS.
6. Adhesive tapes used on floor surfaces must be a type approved by the Convention Center. Contact your service contractor or Exhibit Services Division of the Convention Center for more details.
7. The Convention Center is responsible for the installation of all electrical distributions from the power source to the exhibit. Distribution is defined as all cable, connectors and hardware up to the first connection that follows the last branch circuit protection device.
Any branch circuit connection which is terminated in a non-Nema rated connector (i.e., bare wire, disconnect) must be made by a Convention Center electrician.
8. All equipment, regardless of source of power, must comply with Federal, State and Local codes. The Convention Center reserves the right to inspect all electrical devices and connections to ensure compliance with all codes.
9. Standard wall and other permanent building utility outlets or sockets are not part of booth space and may not be used by exhibitors.
10. The following are not permitted for use in the exhibit:

-Open clip sockets	-Ungrounded Lighting Fixtures
-Latex or lamp cord wire	-Multiple Attachment Plugs
-Twin sockets	which do not have adequate circuit protection devices
11. All electrical equipment must be properly tagged and wired with complete information as to the type or current required for operation, voltage, phase, cycle, horsepower, etc.
12. All exhibitor cords must be a minimum of 12/3 with ground. All exposed non-current carrying metal parts of fixed equipment, which are liable to be energized, shall be grounded.
13. Electrical labor must be ordered in advance in order to have electrician(s) available when needed.
14. Material and equipment furnished by the Convention Center for this service order shall remain the property of the Convention Center and shall be removed ONLY by Convention Center Electricians.
15. Convention Center Electricians are authorized to cut floor coverings when essential for installation of service unless otherwise directed.
16. Power requirements crossing aisles will not be installed unless approved by show management
17. **Replacement costs for fixtures not returned are: Floodlight clip-on/stands - \$35.00 and Quartz fixtures - \$220.00.**
18. All service issues must be reported to the MCC Service Desk prior to the close of the event. Claims will not be considered unless filed **in writing** by exhibitor prior to close of event.
19. Credit will not be given for service installed and not used.
20. **Cancellations – All cancellations must be submitted in writing.** A processing charge of \$50.00 will be applied to orders cancelled prior to installation. No credit is given for service cancelled after installation.

 New Orleans, LA 70154-4973

Utility Locations

MANDATORY

To ensure that your electrical and plumbing outlets, telephones and internet services are properly placed, a Booth Floorplan must be submitted with your order forms. If you do not have a plan, please use the grid on this page and submit it with your order forms. To use this grid:

- Use bold lines to indicate the outline of your booth.
- Indicate the scale of the grid (e.g. 1 square = 10 feet) or indicate the dimensions of your booth.
- Mark the adjacent booth numbers on aisle numbers. This will help us orient your service correctly.
- Mark outlet locations, expressed in watts or amps and voltage in each location. Mark telephone and internet lines in each location. Locations marked should accurately reflect services ordered.
- Return this form with your prepaid order forms.
