

THE HIP SOCIETY/
 AMERICAN ASSOCIATION OF
 HIP AND KNEE SURGEONS

ACCREDITATION:

This activity has been planned and implemented in accordance with the Essential Areas and policies of the Accreditation Council for Continuing Medical Education (ACCME) through the joint sponsorship of the American Academy of Orthopaedic Surgeons and the Hip Society. The American Academy of Orthopaedic Surgeons is accredited by the ACCME to provide continuing medical education for physicians.

CREDIT HOURS:

The American Academy of Orthopaedic Surgeons designates this educational activity for a maximum of 7.25 AMA PRA Category 1 Credits™. Physicians should only claim credit commensurate with the extent of their participation in the activity.

COURSE OBJECTIVES:

The objectives of the Open Meeting of the Hip Society are to provide up-to-date information on the treatment of hip problems including arthroplasty and non-arthroplasty options and surgical techniques.

COURSE DESCRIPTION:

This course is divided into nine symposia covering bearing surface performance and choice, femoral acetabular impingement, revision total hip arthroplasty, introduction of new technology, controversies in hip surgery, hip resurfacing, advances in primary total hip arthroplasty, treatment of complications, and surgical technique videos. There will also be a presentation of the Hip Society Award papers and a special Presidential Guest Speaker, and summary of hip subject highlights from meetings of the Orthopaedic Research Society and the American Association of Hip and Knee Surgeons.

INTENDED AUDIENCE:

The intended audience is orthopedic surgeons, fellows, and residents.
