

ACCREDITATION / CME

This activity has been planned and implemented in accordance with the Essential Areas and Policies of the Accreditation Council for Continuing Medical Education (ACCME) through the joint sponsorship of the American Academy of Orthopaedic Surgeons and the Orthopaedic Trauma Association. The American Academy of Orthopaedic Surgeons is accredited by the ACCME to sponsor continuing medical education for physicians.

CME CREDIT

The American Academy of Orthopaedic Surgeons designates this educational activity for a maximum of 8 *AMA PRA Category 1 Credits*[™]. Physicians should only claim credit commensurate with the extent of their participation in the activity.

EDUCATIONAL OBJECTIVES

Upon completion of this program, participants should be able to:

- Improve treatment decisions in the care of pediatric emergencies.
- Identify and apply strategies for avoiding complications in common orthopaedic injuries.
- Assess trauma care issues in orthopaedics including: billing, reimbursement, and advocacy.
- Identify key fracture management treatment options in trauma and total joint problems.

TARGET AUDIENCE

This meeting is designed for orthopaedic surgeons and is beneficial to related allied health care professionals. OTA has created the program based on stated needs expressed from previous specialty day attendee evaluations.

DISCLAIMER

The material presented at the specialty day meeting has been made available by the Orthopaedic Trauma Association for educational purposes only. The material is not intended to represent the only nor necessarily best method or procedure appropriate for the medical situations discussed, but rather is intended to present an approach, view, statement or opinion of the faculty which may be helpful to others who face similar situations.

The Orthopaedic Trauma Association disclaims any and all liability for injury or other damages resulting to any individual attending this educational activity and for all claims which may arise out of the use of the techniques demonstrated therein by such individuals whether these claims shall be asserted by a physician or any other person.

Disclosure and FDA information will be available in the final program book distributed in New Orleans.
