

Looking for a new practice opportunity?

- **FREE!** (for job seekers)
- The most comprehensive placement service for the orthopaedic community
- Reach employers across the United States
- Access detailed information on employment opportunities
- Submit/View/Edit your availability profile *and* search for job opportunities on our convenient and easy-to-use Web site at www.aaos.org/placement
- The online service allows you to: *view what's new this week, view what's new since your last visit, and search by state and subspecialty*
- The option to receive email notifications every time a practice opportunity matches your interests is now available. Simply click on [Add/Change Email Notification](#) located in the left hand column under [Your Job Seekers Listing](#). You will be required to select the criteria that you would like the practice opportunities to match.

Look for on-site recruiting at the Job Placement Center during our Annual Meeting in San Francisco, CA February 07-11, 2012
