

Table of Figures

Figure 1 – Orthopaedist Density by State.....	6
Figure 2 – Surgeon Density per 100,000 US Population.....	7
Figure 3– Density by Region.....	8
Figure 4 – Orthopaedic Density by Region.....	8
Figure 5 - Average Age of Orthopaedic Surgeons.....	9
Figure 6 - Number of Orthopaedic Surgeons by Gender by State*.....	10
Figure 7 - Age Distribution.....	11
Figure 8 – Age Distribution by Work Status.....	12
Figure 9 – Age Groups for Full- and Part-time Orthopaedists.....	13
Figure 10 – Gender by Member Category.....	14
Figure 11 – Gender by Age Group.....	15
Figure 12 – Orthopaedist Race/Ethnicity.....	16
Figure 13 – Ethnicity/Race by Gender.....	17
Figure 14 – Ethnicity/Race by Age Group.....	17
Figure 15 – Language Fluency.....	18
Figure 16 – Membership in Orthopaedic Societies.....	19
Figure 17 – Work Status, Full- or Part-time.....	20
Figure 18 – Orthopaedic Surgeon Practice Setting.....	21
Figure 19 - Practice setting for Full vs Part-Time.....	22
Figure 20 - Practice Setting by Age Group.....	23
Figure 21 - # of Orthopaedic Surgeons Reported if in Private Group Practice.....	24
Figure 22 – Degree of Specialization.....	25
Figure 23 – Degree of Specialization by Age Group.....	26
Figure 24 – Orthopaedist Specialty Areas.....	27
Figure 25 - Specialty Areas by Age Group.....	28
Figure 26 – Specialty Areas by Age Group (cont’d).....	29
Figure 27 – Services Offered in Office.....	30
Figure 28 – Number of Services Provided by Practice Setting.....	31
Figure 29 – Services Provided by Practice Setting.....	32
Figure 30 – Services Provided by Practice Setting (cont’d).....	33
Figure 31 – Services Provided by Age Group.....	34
Figure 32 – Academic Appointment by Degree of Specialization.....	35
Figure 33 – Trauma Call by Degree of Specialization.....	36
Figure 34 – Trauma call by Age Group.....	37
Figure 35 - Trauma Call by Practice Setting.....	38
Figure 36 – Research Funding by Degree of Specialization.....	39
Figure 37 – Fellowship Areas.....	40
Figure 38 – Fellowship(s) by Age Group.....	41
Figure 39 – Fellowships by Age Group (cont’d).....	42
Figure 40 – Work Hours by Practice Setting.....	43
Figure 41 – Work Hours by Degree of Specialization.....	44
Figure 42 – Work Hours by Age Group.....	45
Figure 43 – Weeks Vacation by Practice Setting.....	46
Figure 44 – Weeks Vacation by Age Group.....	47
Figure 45 – Days Away by Degree of Specialization.....	48
Figure 46 – Days Away by Practice Setting.....	49

Figure 47 – Days Away by Age Group	50
Figure 48 – Distribution of Professional Time by Work Status	51
Figure 49 – Distribution of Professional Time in Activities by Practice Setting	52
Figure 50 – Professional Time Spent in Activities by Degree of Specialization.....	53
Figure 51 – Patients by Payor Source	54
Figure 52 – Payor Source by Degree of Specialization	55
Figure 53 – Payor Source by Practice Setting	56
Figure 54 – Payor Source by Practice Setting (cont'd).....	57
Figure 55 – Number of Procedures Performed by Region	58
Figure 56 - Average # of Selected Procedures Performed During a Typical Month Overall by Full-time Orthopaedists	59
Figure 57 – Procedures Performed by Full-time Orthopaedists	60
