Accreditation
This activity has been planned and implemented in accordance with the accreditation requirements and policies of the Accreditation Council for Continuing Medical Education (ACCME) through the joint providership of the American Academy of Orthopaedic Surgeons and the Pediatric Orthopaedic Society of North America. The American Academy of Orthopaedic Surgeons is accredited by the ACCME to provide continuing medical education for physicians.

The American Academy of Orthopaedic Surgeons designates this live activity for a maximum of 5.5 AMA PRA Category 1 Credits™. Physicians should claim only the credit commensurate with the extent of their participation in the activity.

Upon completion of this program, participants should be able to:
- Describe the current management of pediatric orthopedic emergencies.
- Discuss the sports overuse injuries, the female athlete triad, and list some indications for surgery in sports injuries in children.
- Explain the current POSNA technology overhaul.
- Illustrate the demographics of pediatric orthopedics and the thoughts for workforce changes in the future.
- Summarize the notion of surgeon burnout and gain some tools with which to combat this problem.
- Describe the current status of the orthopedic treatment of musculoskeletal infection.
- Recite an update on benign tumor evaluation.
