Date	Author	Modifications	Document Version
July 29, 2026	Yusaf, Tania	Initial legal and privacy disclaimer for AI agents and chatbots	1.0

Legal & Privacy Disclaimer

This agent is an automated artificial intelligence (“AI”) system designed to assist with general information and guidance. You are not communicating with a human being. All responses are generated by artificial intelligence and may contain inaccuracies, errors, omissions, or outdated or factually incorrect information. The agent is not intended to provide professional, medical, financial, mental health, or legal advice. Any decisions or actions taken based on the chatbot's responses are done at the user's own risk.

By using this chatbot, you acknowledge and agree that:

AI Limitations

- The agent may misunderstand your query.
- It may generate incorrect or unpredictable outputs.
- Responses should not be relied upon for critical or high-risk decisions.

No Liability

- The developers, owners, and operators of this chatbot are not responsible for any loss, harm, or damages arising from the use of AI-generated content.

Data Usage & Privacy

- Your messages may be stored, processed, or analyzed to improve chatbot performance.
- Do not share personal, sensitive, financial, health, or confidential information.
- Data may be used anonymously for analytics and service improvements.

By accessing, using, or interacting with this agent, you acknowledge that you have read, understood, and agree to be bound by our [Terms of Service](#) and [Privacy Policy](#).
