Make a Difference **OrthoPAC Charity Match**

OrthoPAC allows AAOS to have a seat at the table for important policy discussions that affect our surgeons' ability to advance access to and quality of musculoskeletal care. It also helps the AAOS accomplish its legislative and regulatory goals so that the doctor-patient relationship, as we know it, is preserved and strengthened.

Join OrthoPAC's charitable match to double your impact by both supporting our profession and giving back to the community.

Federal law requires that we use our best efforts to collect and report the name, mailing address, occupation and name of employer of individuals who contribute to the AAOS Orthopaedic PAC. Checks or credit cards drawn on corporate accounts can be accepted but are deposited by law into a separate, non-federal account. Contributions are not deductible as charitable contributions for federal income purposes. Contributions are voluntary, and do in no way affect membership or other status in the American Association of Orthopaedic Surgeons. Only AAOS members in the U.S. may contribute to the AAOS Orthopaedic PAC.
