

**Exhibitor Liability Insurance Program
AAOS 2021 Annual Meeting
San Diego Convention Center - San Diego, CA
September 1 - 3, 2021**

As a standard requirement for all our show exhibitors, it is necessary for you to carry general liability coverage from an insurance company in good standing with minimum policy limits of \$1,000,000 per occurrence and \$1,000,000 aggregate. This insurance must name American Academy of Orthopaedic Surgeons and San Diego Convention Center as Additional Insured on your policy. The policy must be active during all move-in/show/move-out dates of the event, August 25-September 5, 2021.

Insurance Coverage is not optional and must be received by August 3, 2021

To make this process easier for you, we have implemented a new program through Rainprotection Insurance. Rainprotection can provide you with compliant insurance for our show, at the cost of just **\$85** no matter how big a booth you have.

Benefits of using this program:

- **No Deductible** – Rainprotection’s policy has no deductible. Should there be a claim, you will have no out of pocket costs. Plus, your future rates will not go up since you would not need to submit a claim on your policy.
- **No Hassles** – you will not need to go back and forth with your broker adding additional insureds and making your insurance compliant with show requirements.
- **Coverage for exhibitors who do not have an existing policy**
- **Coverage for international exhibitors** whose insurance will not cover them in the U.S.A.
- **Submitted to show management for you** - Once purchased, they automatically receive a copy.
