Industry Lunch and Learn Sessions

Exhibitors have secured space at the Orange County Convention Center to conduct non-CME Industry Lunch and Learn Sessions during AAOS 2020. The Academy is not responsible for the content, faculty, or registration of attendees for these events and does not accredit these events for CME.

Tuesday, March 24 12:40 – 1:25 PM

Ready or Not? Non-Operative Strategies Before TKA  
Lunch and Learn Presented by Flexion Therapeutics
Room W307
Gregory M. Martin, MD; Andrew I. Spitzer, MD

Look Beyond the X-Ray for Skeletal Dyspasia  
Lunch and Learn Presented by BioMarin Pharmaceutical Inc.
Room W314

Wednesday, March 25 12:40 – 1:25 PM

Arthrex Innovations: Technological Advancements in Shoulder Soft-Tissue Repair and Arthroplasty  
Lunch and Learn Presented by Arthrex
Room W307
Join Arthrex for a lunchtime symposium featuring case presentations and panel discussion by surgeon thought leaders on the minimally invasive treatment of rotator cuff, instability, fracture, and arthritis pathology. This interactive workshop will demonstrate new technology for diagnosis and treatment using the NanoScope™ operative arthroscopy system, knotless soft-tissue repair, stemless TSA, and short-stem rTSA with preoperative planning.

Early Intervention Solutions featuring The Subchondroplasty® Procedure  
Lunch and Learn Presented by Zimmer Biomet
Room W315
This industry sponsored symposium will cover early intervention treatment options featuring the Subchondroplasty® procedure, a novel solution for the treatment of chronic, symptomatic bone marrow lesions. This session will include presentation of clinical data and case reviews by experienced faculty.

Simplifying the Complex in Revision Knee Arthroplasty with the Persona® Revision Knee System  
Lunch and Learn Presented by Zimmer Biomet
Ask an Expert, Booth 579, Exhibit Hall A

Dual Mobility and Its Role in Primaries and Revisions  
Lunch and Learn Presented by Smith & Nephew, Inc.
TechTalks, Booth 3979, Exhibit Hall B

When Back Pain Isn’t Mechanical: The Role of Orthopedists in Identifying Axial SpA  
Lunch and Learn Presented by Novartis Pharmaceuticals Corporation
Room W314
Orthopedists play a crucial role in recognizing axial spondyloarthritis (axSpA), a chronic and debilitating inflammatory disease primarily affecting the spine and sacroiliac joints. axSpA, and its hallmark symptom inflammatory back pain (IBP), can go unnoticed or be misdiagnosed, which may result in progressive structural damage and significant patient burden. This program will discuss how to identify IBP and axSpA, the course of the disease, its symptomology, and when to refer to rheumatology.
Thursday, March 26 12:40 – 1:25 PM

Arthrex Innovations: Technological Advancements in Knee Joint Preservation Surgery
Lunch and Learn Presented by Arthrex
Room W307

Join Arthrex for a lunchtime symposium featuring case presentations and panel discussion by surgeon thought leaders on the minimally invasive treatment of ACL, meniscus, and cartilage pathology. This interactive workshop will demonstrate new technology for diagnosis and treatment using the NanoScope™ operative arthroscopy system, ACL repair and quadriceps tendon ACL reconstruction with InternalBrace™ ligament augmentation, single-handed all-inside meniscus repair, and cartilage preservation/restoration techniques.

Soft Tissue Management: Optimizing Outcomes in Joint Reconstruction Surgery
Lunch and Learn Presented by DePuy Synthes
Room W314
Antonia F. Chen, MD; Brian M. Culp, MD; Ryan M. Nunley, MD; Joel E. Wells, MD, M.P.H.

Expert panel will discuss Wound Closure challenges and opportunities presented in joint reconstruction surgery. Presenters will share their expertise on topics such as addressing surgical site infection risk, increasing closure efficiency, patient satisfaction and utilizing techniques and innovative products that have been shown to enable wound closure success.

Cutting Edge Technologies and Surgical Techniques in 2020 for Managing Massive and Irreparable Rotator Cuff Tears
Lunch and Learn Presented by DePuy Synthes
Room W315
Paul Favorito, MD; Mark Getelman, MD; Rick Ryu, MD; Dave Weinstein, MD

Case-based interactive audience participation focusing on innovation and state-of-the-art surgery.

Advancing Elbow Fracture Treatment through Innovation
Lunch and Learn Presented by DePuy Synthes
Ask an Expert, Booth 579, Hall A

Be one of the first to see our new Radial Head Replacement System, part of the comprehensive DePuy Synthes elbow portfolio. Our expert faculty will discuss the importance of Placement, Positioning, and Proper Play and their effect on outcomes.

Friday, March 27 12:40 – 1:25 PM

Arthrex Innovations: Technological Advancements in Minimally Invasive Trauma Surgery
Lunch and Learn Presented by Arthrex
Room W307

Join Arthrex for a lunchtime symposium featuring case presentations and panel discussion by surgeon thought leaders on the minimally invasive treatment of common fractures and soft-tissue injuries. This interactive workshop will demonstrate new technology for diagnosis and treatment using the NanoScope™ operative arthroscopy system, Achilles and lateral ankle instability repair with InternalBrace™ ligament augmentation, novel ankle fracture repair techniques, and upper extremity fracture treatment options.

Lunch and Learn
Lunch and Learn Presented by Stryker
Room W314

A Stronger Anchor with a Softer Touch. Introducing JuggerStitch, the Newest All-inside Meniscal Repair Anchor
Lunch and Learn Presented by Zimmer Biomet
Room W315

Driving Efficiencies in the Ambulatory Surgery Center
Lunch and Learn Presented by Zimmer Biomet
Ask an Expert, Booth 579, Hall A

Providing care in an outpatient setting presents a unique set of pain points for your practice. Zimmer Biomet Outpatient Solutions understands these pain points and offers real solutions so you can continue enabling at-home recovery for patients, while delivering efficient, cost-effective care.

Redefining Robotics in Orthopaedics: Real Intelligence and the Connected OR
Lunch and Learn Presented by Smith & Nephew, Inc.
TechTalks, Booth 3979, Exhibit Hall B

Building Positive Connections to Maximize Your ASC Opportunity
Lunch and Learn Presented by Smith & Nephew, Inc.
TechTalks, Booth 3979, Exhibit Hall B
