***IMPORTANT GROUP RENTAL PICKUP INFORMATION:** Upon picking up rental equipment, we suggest that individuals of the group, pickup their equipment the day before, any time after 3PM. This way guests can get on the mountain first thing in the morning and will be able to avoid the rental shop lines.

The shop is located directly in the Canyons Village area, just steps away from Red Pine Gondola.

Exclusive to guests renting with us is complimentary overnight ski and snowboard storage as you come off the Red Pine Gondola. So, there's no need to carry your skis to and from the mountain each day.

Make sure you are selecting the dates that you plan to ski/snowboard for. Choosing "Pick-up after 3PM", will not count as your rental day, this simply allows you to pick up your equipment, the afternoon/evening prior, without being charged. This will help you get you on the mountain first thing in the morning!
