AAOS designates this live activity for a maximum of 18 AMA PRA Category 1 Credits™. Physicians should claim only the credits commensurate with the extent of their participation in the activity.

Obtaining CME Credit
Course participants must complete and submit an online evaluation form to receive CME credit. Please note: CME credits can be claimed by course registrants only.
AAOS Board Maintenance of Certification Preparation and Review: General Orthopaedic

Your key to MOC success

Build your confidence and review the content you need to pass your MOC exam, at this supercharged 2-day course. Your faculty are set to deliver evidence-based, content-packed lectures structured around the testable material you need to know.

Taking place more than two months before the exam window closes, you can establish your preparation baseline, identify areas for further improvement, and sharpen your study plan. Take advantage of face-time with speakers to ask follow-up questions and get clarification on challenging topics.

Continue your review until the exam!

Exclusive online resources are included with your registration.

• Course Recording – Watch the entire course again, or pick and choose lectures to review as needed through October 31, 2020
• 2700+ AAOS self-assessment questions on OrthoWizard – Complimentary access from July 17 – August 17, 2020*
• MOC Mock Exam – 62-question multiple-choice exam with discussion and recommend readings
• Course Syllabus – Faculty-provided content and handouts

*Extend your OrthoWizard access! Take advantage of this special offer for a short-term subscription to OrthoWizard! Special rate of $130 for course attendees only. Accessible August 18, 2020 – February 18, 2021.
