### Practice Opportunity

#### HAND AND UPPER EXTREMITY SURGEON

The Mid-Maryland Musculoskeletal Institute. A division of the Centers for Advanced Orthopaedics, is a well-established group of six orthopaedic surgeons, in Frederick Maryland, all with specialty interest. We continue to enjoy practice expansion, having already added Physiatry and Rheumatology, as we have developed a regional musculoskeletal center. We are seeking a Fellowship-Trained, Board Certified or Board Eligible, **Orthopaedic Surgeon in Hand & Upper Extremity**. The successful candidate will join a growing practice with an existing patient base and a large catchment area. Our existing physicians cross-refer and all have full practices.

The group has constructed a state of the art, medical facility complete with a physical therapy and rehabilitation area, ambulatory surgery center and diagnostic imaging center and has begun planning the construction of a second building.

Attractive financial package that includes guaranteed salary, incentive plan, full benefits, paid vacation and CME. Partnership opportunity available to qualified individual. Opportunity to spend some time in an academic medical setting, if the candidate finds this desirable.

Frederick County offers an excellent quality of life, affordable real estate, excellent schools, low crime rate and diverse community. Office is located near hospital and current Ambulatory Surgery Center. Work and live in a small town atmosphere with many cultural and outdoor activities. Frederick is less than one hour from area lakes and mountains while less than an hour from the major metropolitan areas of Washington and Baltimore. A great area to settle and raise a family.
