

Meharry Medical College is seeking candidates for the position Assistant or Associate Professor in the Division of Orthopedic Surgery with a start date of July 2018.

The position will be at the Nashville General Hospital, a safety net hospital serving Nashville and the surrounding middle Tennessee region. This position affords a great opportunity to practice the breadth of orthopedic surgery in an academic environment while maintaining a good quality of life. Nashville is one of the fastest growing cities in the south and a great place to raise a family. The applicant must be board certified or board eligible in Orthopedic Surgery and be eligible for a Tennessee license. The ideal applicant will be broadly trained in general orthopedic surgery; Additional experience in the areas of total joint arthroplasty, foot and ankle surgery or spine would also be a plus. It is also expected that candidate will have demonstrated excellence in clinical medicine and a commitment to teaching and scholarly activity.

Meharry Medical College is an equal opportunity employer and welcomes applications from women and members of minority groups, as well as others who would assist the College in furthering its missions in research, teaching, and clinical care. **Interested candidates should apply online at <https://meharryjobs.silkroad.com/> or send a copy of their curriculum vitae to: mpuckett@mmc.edu.**

Hartford Orthopedic Surgeons, P.C. has a unique opportunity for an ambitious Orthopedic Surgeon to join a one-of-a-kind practice in central Connecticut.

We are a four-surgeon practice **seeking a joint surgeon** to join our growing group. We also employ six P.A.s to assist with clinical and surgical duties, as well as management of our urgent care centers.

You will be partnering with four experienced surgeons with an excellent reputation in the greater Hartford area, and throughout Connecticut, in a highly collegial work atmosphere. Our physicians' areas of expertise include, upper extremity, sports medicine, joint replacement and spine.

A successful candidate will be busy with a mix of joint and general orthopedic patients in one of our three offices. Currently, two of our offices include urgent care walk-in centers.

You will have an opportunity to work at the Connecticut Joint Replacement Institute, a state-of-the-art adult reconstructive surgery center, co-founded by our own joint surgeon, Robert W. McAllister, MD.

**Interested candidates should contact:
Donna Rizzio, CEO, phone 860-510-1105
