The Chicago Hip Preservation Fellowship
At the
American Hip Institute
2020-2021 and 2021-2022

Focusing on Hip Arthroscopy and Joint Preservation

Fellows will be trained in all aspects of hip preservation surgery, and will gain a unique foundation in complex hip arthroscopy. Training will focus heavily on minimally-invasive techniques for treatment of labral tears, FAI, subspine and ischiofemoral impingement, dysplasia, and microinstability.

Comprehensive surgical hip skills include:
- Arthroscopic complex labral repair
- Circumferential labral reconstruction
- 3D planning and correction of FAI
- Capsular plication and reconstruction
- Ligamentum teres reconstruction
- Osteochondral management (microfracture, subchondroplasty, osteoarticular allograft)
- Endoscopic gluteus medius repair
- Endoscopic hamstring repair

Also included are peri-acetabular osteotomy, Birmingham hip resurfacing, and hip arthroplasty (direct anterior, posterior, and Mako robotic-assisted).

This highly specialized fellowship prepares trainees for a focused niche practice in Hip Preservation. Fellows with academic interests benefit from the strong research program, based in a collaborative, learning environment. The fellowship is ideally suited for trainees graduating from a sports medicine fellowship who wish to obtain further training in a second fellowship. However, application is also open to graduating residents. Salary up to $80,000 annually.

Application:

PLEASE SEND COVER LETTER, CV, AND THREE LETTERS OF RECOMMENDATION TO BENJAMIN G. DOMB, M.D.

Incredible opportunity to join our rapidly growing orthopedic practice in the center of Long Island. Our practice features energetic and extremely hard working surgeons across all sub-specialties. We have all ancillaries, including MRI, Physical Therapy, Ultrasound, DME and Pain Management Suite. We are currently constructing a 10,000sq foot state of the art facility which would be our 3rd practice location. Opportunity for ambulatory surgical center buy-in exists as well. Excellent compensation package to start with attractive partnership track and the ability to become among the top earners in the country. We are looking for a motivated and hardworking individual to join our practice. Joint Replacement, Trauma or Pain Management preferred, however, we are willing to entertain all sub-specialties.

Available: Now
Minimum Requirements: Residency Completed
Practice Type: Orthopaedic Group
Desired Practice Focus: General, Total Joint, Trauma, Pain Management and Rehabilitation

Orthopedic Surgeon – Total Joint
Columbus, Ohio

Orthopedic One, the largest physician-owned orthopedic practice in the state of Ohio, is offering a private practice opportunity for a motivated Orthopedic Surgeon who will specialize in Total Joints. Call coverage will support building a practice in Central Ohio with multiple hospital system affiliations. The successful candidate will be on a partnership track, with succession plans to transition established patients, including ASC ownership opportunities, specialized physical therapy for the total joint patient, and advanced imaging on-site. Enjoy excellent work-life balance, and affordable cost of living.

Requirements/Details
❖ Board Certified/Board Eligible Orthopedic Surgeon
❖ Prefer Total Joint Fellowship trained
❖ Available to work Summer/Fall 2019

About Orthopedic One
The physicians and staff at Orthopedic One are committed to providing the highest quality musculoskeletal care available in Columbus and the surrounding regions of central Ohio. As a physician owned practice, we retain the ability to do what’s best for the patient - providing the highest quality of care and service, while keeping costs low. Our team includes 60 of the region’s top general and fellowship-trained orthopedic experts, more than 100 physical and occupational therapists, and 600 caring associates dedicated to helping patients get better and get back to doing what they love. Apply online at www.orthopedicone.com/careers.
The FDA’s Center for Devices and Radiological Health is recruiting Orthopedic Surgeons to work in Silver Spring, Maryland as Medical Officers in the Division of Orthopedics Devices (DOD) evaluating cutting-edge orthopedic devices. As a Medical Officer, you will provide oral and written consultations for various types of regulatory submissions across a wide range of device types related to fracture fixation, joint replacement and reconstruction and spinal disorders. Individuals play a significant role in clinical trial study design, clinical study data evaluation, and interact frequently with clinical investigators and representatives of regulated industry.

Applicants must possess a Doctor of Medicine or Doctor of Osteopathy from a school in the United States or Canada approved by a recognized accrediting body in the year of the applicant’s graduation. A Doctor of Medicine or equivalent degree from a foreign medical school or a fifth pathway certificate for Americans who completed premedical education in the United States and graduate education in a foreign country will be considered.

Although this position does not involve direct patient care duties, candidates must possess and maintain a permanent and unrestricted license to practice medicine in a State, District of Columbia, the Commonwealth of Puerto Rico, or a territory of the United States. Orthopaedic board certification or eligibility (ABOS) is preferred. Candidates must relocate to the Washington, DC Metropolitan area. Starting salary ranges from $185,000-$199,000 per year (for those with board certification or eligibility) with an excellent benefits package.

Mirza Orthopedics is currently seeking a SPINE and TOTAL JOINT surgeon to join our group of orthopedic specialists to add to the variety of orthopedic conditions we treat and to help bring a wider variety of surgeries into the outpatient arena. Mirza Orthopedics is a multi-specialty group of orthopedic surgeons, privately owned and operated on Long Island for the past forty years. Owned and affiliated with our practice is the North Shore Surgi-Center, an ambulatory surgery center located a short drive from our main office. At North Shore Surgi-Center, our surgeons operate in a combined 7,000 cases every year in surgeries ranging from minimally invasive arthroscopic procedures to more intensive hip and knee surgeries.

Our office is located in Smithtown, a suburban community on the elite North Shore of Suffolk County. Suffolk County’s prime location offers easy access to beautiful Long Island beaches, elite research labs and universities, and all boroughs of New York City.

To apply, please send your current Curriculum Vitae to jgrossarth@nsscsmithtown.com

The University of Kentucky is an equal opportunity/affirmative action employer and complies with the Americans with Disabilities Act of 1990. Females, racial minorities, and individuals with disabilities are encouraged to apply. Upon offer of employment, successful applicants for certain positions must pass a pre-employment drug screen and undergo a national background check as required by University of Kentucky Human Resources.

Please submit letter of interest and curriculum vitae to: Kevin Caudill, Department Administrator
