

JAAOS to Publish 24 Issues Per Year in 2018!

Beginning in January 2018, the AAOS core member benefit and the #1 most read journal by orthopaedic surgeons* is expanding from 12 to 24 issues per year. As an AAOS member, you will get more of what you expect from **JAAOS**:

- 1** Expanded, valuable, evidence-based research articles in the "green" section of **JAAOS**—randomized controlled trials, case reports, and more
- 2** Award Winner and Honorable Mention Orthopaedic Video Theater Abstracts from the AAOS Annual Meeting and associated video trailers on jaos.org, exemplifying the standard of care with regard to indications, anatomic landmarks, treatment options, and surgical techniques and how to apply them in a clinical setting
- 3** A wider selection and variety of trusted articles that will include systematic reviews, AAOS Clinical Practice Guidelines summaries, AAOS Appropriate Use Criteria summaries, On the Horizon From the ORS, and Surgical Techniques

Your Academy. Your Journal.
