Saturday, March 18, 2017
San Diego Convention Center
Room: 6B
7:00 am – 5:00 pm

American Orthopaedic Foot & Ankle Society

General Information
This meeting is designed to identify areas of recent research in the field of orthopaedic foot and ankle surgery relevant to practicing physicians, surgeons, and allied health professionals. This information will be transmitted through scientific paper presentations, case-based discussion and symposia presentations.

Statement of Need
A need for this educational activity has been determined based on previous course evaluations, the AOFAS CME curriculum and on current issues and topics provided by AOFAS membership and leadership.

Target Audience
This program should prove valuable to any orthopaedic surgeon, physician, or allied health professional in the field of orthopaedic foot and ankle surgery.

Educational Objectives
At the conclusion of this meeting, learners should be able to:
- Discuss surgical approaches to treat bunions, posterior tibial tendon dysfunction, and ankle arthritis
- Evaluate current data reflecting clinical trends, emerging surgical techniques, pre- and postoperative procedures and technological innovations in orthopaedic foot and ankle patient care
- Identify ways to analyze, manage and avoid complications of foot and ankle problems
- Describe and apply strategies to improve patient outcomes

Questions
For more information, contact:
AOFAS
9400 W. Higgins Road, Suite 220
Rosemont, IL 60018
Phone 847-698-4654
Email aofasinfo@aofas.org

Accreditation
The American Orthopaedic Foot & Ankle Society (AOFAS) is accredited by the Accreditation Council for Continuing Medical Education (ACCME) to sponsor continuing medical education for physicians.

Credit Hours
The American Orthopaedic Foot & Ankle Society (AOFAS) designates this live activity for a maximum of 7.5 AMA PRA Category 1 Credits™. Physicians should only claim credit commensurate with the extent of their participation in the activity.

The afternoon combined session includes an additional 2.0 AMA PRA Category 1 Credits™ accredited by the American Orthopaedic Society for Sports Medicine (AOSSM).

Disclosure
The AOFAS requires all instructors, planners and other individuals in a position to control or influence the content of an educational activity to disclose all relevant financial relationships or affiliations during the past 12 months with any commercial interest (any entity producing, marketing, re-selling, or distributing health care goods and services consumed by, or used on patients). All identified conflicts of interest must be resolved and the education content vetted by the AOFAS for fair balance, scientific objectivity and appropriateness. The AOFAS also requires faculty to disclose when off-label/unapproved uses of a product are discussed in a CME activity. The AOFAS attests that the persons responsible for the development of this educational activity did so independently and were not influenced by commercial supporters. All financial disclosures will be provided to meeting attendees in the final program materials.

Disclaimer
The material presented in this continuing medical education activity has been made available by the American Orthopaedic Foot & Ankle Society (AOFAS) for educational purposes only. Methods, techniques and procedures demonstrated and views and opinions expressed by speakers, presenters and faculty are on their own, and do not necessarily represent those of the AOFAS nor does presentation on the program represent or constitute endorsement or promotion by the AOFAS. The AOFAS expressly disclaims any warranties or guaranties, expressed or implied, and shall not be liable for damages of any kind in connection with the material, methods, information, techniques, opinions or procedures expressed, presented or demonstrated. AOFAS may photograph or record you as you participate in this meeting and related activities.

7:00 am – 7:04 am
Introduction
Jeremy McCormick, MD, Program Chair

7:04 am – 7:30 am
Early Bird Symposium – Healthcare in the New Administration
Moderator: Thomas Lee, MD

7:04 am – 7:12 am
The Nuts and Bolts of Healthcare for the Next 4 Years
Christopher Chiodo, MD

7:12 am – 7:20 am
Challenges with Reimbursement - Top 10 Things I Could be Doing to Help
Peter Mangone, MD

7:20 am – 7:30 am
Discussion

7:30 am – 8:30 am
SYMPOSIUM I – Controversy in Bunion Surgery – Surgical Treatment of the Moderate Bunion
Moderator: Bruce Cohen, MD

7:30 am – 7:38 am
Distal Osteotomy is All We Need
Bryan Den Hartog, MD

7:38 am – 7:46 am
Shaft Osteotomy Will Do the Trick
Pierre Barouk, MD

7:46 am – 7:54 am
Lapidus is the Holy Grail…Believe!!
John Anderson, MD

7:54 am – 8:02 am
MTP Fusion - It WILL be Straight
G. Andrew Murphy, MD

8:02 am – 8:30 am
Discussion/Case Presentations

8:30 am – 9:10 am
Paper Session 1 – Working to Optimize Patient Outcomes

Moderators: J. Turner Vosseller, MD, and Gregory Guyton, MD

8:30 am – 8:35 am
The Association of Perioperative Glycemic Control with Postoperative Surgical Site Infection Following Elective Foot Surgery in Patients with Diabetes
Jourdan Cancienne, MD; Minton Cooper, MD; Brian Werner, MD
8:35 am – 8:40 am  Time Related Effects of Non-steroidal Anti-inflammatory Drugs on Achilles Tendinopathy in a Murine Model  
Adam Bitterman, DO; Shuguang Gao; Katie Trella; Jun Li; Jorge Galante; Simon Lee, MD; George Holmes, MD; Johnny Lin, MD; Anna Plaas

8:40 am – 8:45 am  Patients’ Expectations from Foot and Ankle Surgery: Relationships with Demographic and Clinical Characteristics  
Elizabeth Cody, MD; Carol Mancuso, MD; Jayme Burket, PhD; Anca Marinescu, BA; Aoife MacMamon, BA; Constantine Demetracopoulos, MD; David Levine, MD; Jonathan Deland, MD; Mark Drakos, MD; Matthew Roberts, MD; Scott Ellis, MD

8:45 am – 8:50 am  Implementation of Patient-Reported Outcomes Measurement Information System (PROMIS) Data Collection in a Private Orthopaedic Surgery Practice  
Andrew Haskell, MD; Todd Kim, MD

8:50 am – 8:55 am  FAAFM ADL Scores Correlate with PROMIS Physical Function, Pain Interference, and Depression Outcomes  
Devon Nixon, MD; Jeremy McCormick, MD; Jeffrey Johnson, MD; Sandra Klein, MD

8:55 am – 9:10 am  Discussion

9:10 am – 10:10 am  SYMPOSIUM II – Posterior Tibial Tendon Dysfunction – Help with Surgical Decision-Making  
Moderator: W. Hodges Davis, MD

9:10 am – 9:18 am  Stage I - Does This Really Exist? What Do I Do About It?  
Samuel Adams, Jr., MD

Scott Ellis, MD

9:26 am – 9:34 am  Stage III - Getting the Most Out of Your Triple Arthrodesis  
Jeffrey Johnson, MD

9:34 am – 9:42 am  Stage IV - This is Really Hard - Can I Just Fuse the Ankle?  
Donald Bohay, MD

9:42 am – 10:10 am  Discussion/Case Presentations

10:10 am – 10:50 am  Paper Session 2 – Ankle and Hindfoot  
Moderators: David Pedowitz, MD, and Eric Bluman, MD, PhD

10:10 am – 10:15 am  The Use of 3D Prints to Compare the Efficacy of Three Different Calcaneal Osteotomies for the Correction of Heel Varus  
Glenn Pfeffer, MD; Max Michalski, MD; Tina Basak; Joseph Giaconi, MD

10:15 am – 10:20 am  Hindfoot Alignment of Adult Acquired Flatfoot Deformity: A Comparison of Clinical Assessment and Weightbearing ConeBeam CT Examinations  
Cesar de Cesar Netto, MD; Shadpour Demehri; Apsan Chinanuwathana, MD; Alireza Mousavian, MD; Eric Tan, MD; Andres O’Daly, MD; Michael Aynardi, MD; Lucas Fonseca, MD; Gaurav Thauwail, MD; James Ficke, MD; Lew Schon, MD

10:20 am – 10:25 am  Correlation of Functional Measures of Mobility with Patient Reported Outcomes after Total Ankle Arthroplasty  
Justin Kane, MD; James Brodsky, MD; Yabya Daoud, MS

10:25 am – 10:30 am  Alignment Accuracy and Cost Savings Threshold of Patient Specific Instrumentation in Total Ankle Replacements  
Kamran Hamid, MD, MPH; Andrew Matson, MD; Benedict Nwachukwu, MD, MBA; Daniel Scott, MD, MBA; Richard Mather

10:30 am – 10:35 am  Minimum 20 Year Follow-Up of Semi-Constrained Total Ankle Arthroplasty: Benchmark for Future Designs  
Taylor Den Hartog, BS; Samuel Carlson; Greg Alvine; Frank Alvine; Bryan Den Hartog, MD; John Callaghan

10:35 am – 10:50 am  Discussion

10:50 am – 11:10 am  Presidential Address  
Jeffrey Johnson, MD, AOFAS President

11:10 am – 11:20 am  Foundation Update  
Bryan Den Hartog, MD; Foundation President

American Orthopaedic Foot & Ankle Society
AOFAS/AOSSM Combined Session

Description
This live activity is designed to disseminate and discuss recent research in the field of orthopaedic foot and ankle and sports medicine surgery relevant to practicing physicians, surgeons, and allied health professionals. This information is provided through scientific paper presentations, hot topics, updates, question and answer sessions, spotlights on surgical techniques, symposia, current concepts, overviews, clinical insights, case-based discussions, and/or debates.

Target Audience
This program is designed for orthopaedic surgeons, physicians, and allied health professionals in the field of orthopaedic foot and ankle and sports medicine surgery or related fields of practice.

Program
The American Orthopaedic Society for Sports Medicine attests that the people responsible for the development of this educational activity did so independently and were not influenced by commercial supporters.

Educational Objectives
Upon completion of this educational activity, learners should be able to:
- Implement an effective evaluation algorithm, based on recent research, for musculoskeletal and medical sports medicine conditions.
- Assess and apply surgical and non-surgical treatment recommendations and rehabilitation protocols for the management of musculoskeletal and medical conditions germane to the practice of orthopaedic foot and ankle, sports medicine.
- Integrate prevention strategies with healthcare team(s) to improve musculoskeletal and medical health in their patient population.

Accreditations
Continuing Medical Education Credits
The American Orthopaedic Society for Sports Medicine (AOSSM) is accredited by the Accreditation Council for Continuing Medical Education (ACCME) to provide continuing medical education for physicians.

The AOSSM designates this live activity for a maximum of 2.0 AMA PRA Category 1 Credits™. Physicians should claim only the credit commensurate with the extent of their participation in the activity.

AOFAS/AOSSM Combined Session

3:00 pm – 4:10 pm

Combined Session 1: Foot and Ankle Trauma in the Athlete – Getting Them Back in the Game

Moderators: Annuinziato Amendola, MD, and Kirk A. McCullough, MD

- 3:00 pm – 3:08 pm
  Current Trends in Ankle Fracture Management in the Athlete - Does Everyone Need Arthroscopy? What about the Deltoid? David A. Porter, MD
- 3:08 pm – 3:16 pm
  Syndesmosis Injuries – Algorithm for Treatment: Should We Intervene Early? Kenneth Hunt, MD
- 3:16 pm – 3:24 pm
  Current Trends in Ankle Instability: Is there anything wrong with a Simple Brostrom? J. Chris Coetzee, MD, MBChB
- 3:24 pm – 3:32 pm
  Problem Stress Fractures of the Foot and Ankle - More than Meets the Eye? Martin J. O’Malley, MD
- 3:32 pm – 3:40 pm
  Turf Toe and Sesamoid Injuries – Know When to Say When... Thomas O. Clanton, MD
- 3:40 pm – 3:50 pm
  Question and Answer

3:50 pm – 4:10 pm

Case Presentations
Annunziato Amendola, MD
Kirk A. McCullough, MD

4:10 pm – 5:00 pm

Combined Session 2: Chronic Injuries in the Athlete - HELP?!?!

Moderators: Gregory C. Berlet, MD and Charles L. Saltzman, MD

- 4:10 pm – 4:18 pm
  MRI Shows a Peroneal Tendon Tear – Does that Matter? What Should I do? Eric Giza, MD
- 4:18 pm – 4:26 pm
  Failed Micro-fracture for Talar OCD – What to do Now? Richard D. Ferkel, MD
- 4:26 pm – 4:34 pm
  Should We be Adding Biologics to Everything We Do? John G. Kennedy, MD, MCH, MMCs, FRCS
- 4:34 pm – 4:44 pm
  Question and Answer
- 4:44 pm – 5:00 pm
  Case Presentations
Gregory C. Berlet, MD
Charles L. Saltzman, MD

5:00 pm

Adjourn Meeting
