

General Information

Description

We listened to your comments and suggestions that you shared with us in Orlando! Our re-designed 2017 program is divided into 10 sessions focusing on a wide range of contemporary topics relevant to today's surgeon and practice – from the **Difficult Primary to Surgical Techniques**, from **Non-Traditional TKA** to **“Lessons Learned”**. Participants will enjoy the updated format that will feature thought-provoking case-based presentations on **“How Do I..?”** and **“Why Do I..?”**, and lively discussions by panels of North American and international experts. A special highlight will be The Knee Society's Scientific Awards. **NEW in 2017:** A combined session on **Transitioning to Value-Based Healthcare** will be presented simultaneously in the Knee and the Hip session rooms, with a video link between both. **NEW in 2017:** Lunch for all participants will be provided at no additional charge. All-day non-CME live stream will be available. All participants will receive complimentary unlimited access to the recorded archives for one (1) full year following Specialty Day.

Target Audience

The intended audience is orthopaedic surgeons, fellows, residents, and allied health professionals.

Course Objectives

The objectives of the Specialty Day (Open) scientific program of The Knee Society and AAHKS are to update clinical skills and basic knowledge through research findings, to discuss the various surgical and non-surgical treatments and management of conditions related to the knee joint, to determine indications and complications in total knee arthroplasty, to critique presentations of surgical techniques and demonstrations of treatment options, and to evaluate the efficacy of new treatment options through evidence-based data.

Credit Hours

This activity has been planned and implemented in accordance with the accreditation requirements and policies of the Accreditation Council for Continuing Medical Education (ACCME) through the joint providership of the American Academy of Orthopaedic Surgeons and The Knee Society. The American Academy of Orthopaedic Surgeons is accredited by the ACCME to provide continuing education for physicians. The American Academy of Orthopaedic Surgeons designates this live activity for a maximum of **7.5 AMA PRA Category 1 Credits™**. Physicians should claim only the credit commensurate with the extent of their participation in this activity.

 Steven J. MacDonald, MD
(London, ON, Canada)

8:08 am – 8:14 am Flexion Contracture
 Adolph V. Lombardi, Jr., MD
(New Albany, OH)

8:15 am – 8:21 am The Valgus Knee: Is It More Difficult?
 Paul F. Lachiewicz, MD
(Chapel Hill, NC)

8:22 am – 8:28 am Previous Incisions: What To Do?
 John J. Callaghan, MD
(Iowa City, IA)

8:28 am – 8:45 am Discussion

8:45 am – 9:30 am **Session II: The Difficult Primary TKA - 2**

Moderator: Douglas A. Dennis, MD
(Denver, CO)

8:46 am – 8:52 am Extra-Articular Deformity
 Stephen J. Incavo, MD
(Houston, TX)

8:53 am – 8:59 am Previous ACL Or Osteotomy Surgery
 David Backstein, MD, FRCS(C)
(Toronto, ON, Canada)

9:00 am – 9:06 am Prior Infection
 Arlen D. Hanssen, MD
(Rochester, MN)

9:07 am – 9:13 am Is Constraint Needed in Primary TKA?
 Mark P. Figgie, MD
(New York, NY)

9:13 am – 9:30 am Discussion

9:30 am – 10:15 am **Session III: Current Trends in Arthroplasty**

Moderator: Clifford W. Colwell, MD
(La Jolla, CA)

9:31 am – 9:37 am Current Joint Restoration Procedures –
 Patrick C. McCulloch, MD
(Houston, TX)

9:38 am – 9:44 am Unicompartamental Arthroplasty in 2017
 Craig J. Della Valle, MD
(Chicago, IL)

9:45 am – 9:51 am ACL/PCL Design: What the Future Holds
 Christopher L. Peters, MD
(Salt Lake City, UT)

9:52 am – 9:58 am Medial Pivot Design
 C. Lowry Barnes, MD
(Little Rock, AR)

9:58 am – 10:15 am Discussion

10:15 am – 10:30 am **Break**

10:30 am – 11:00 am	Session IVa: The Knee Society's Scientific Awards	1:53 pm – 1:59 pm	Patella Instability Giles R. Scuderi, MD (New York, NY)
	Moderator: Thomas P. Sculco, MD (New York, NY) The John N. Insall, MD Award The Chitranjan S. Ranawat, MD Award The Mark Coventry, MD Award	2:00 pm – 2:06 pm	Extensor Mechanism Failure Rafael J. Sierra, MD (Rochester, MN)
11:00 am – 11:15 am	Session IVb: Highlights	2:07 pm – 2:13 pm	The Unstable Revision TKA Michael D. Ries, MD (Carson City, NV)
11:01 am – 11:08 am	AAHKS 2016 Annual Meeting William A. Jiranek, MD (Richmond, VA)	2:14 pm – 2:30 pm	Discussion
11:09 am – 11:15 am	The John N. Insall, MD Traveling Fellowship W. Norman Scott, MD (New York, NY)	2:30 pm – 2:45 pm	Break
11:15 am – 12:00 pm	Session V: Lessons Learned from Difficult Cases	2:45 pm – 3:30 pm	Session VIII: Patient Satisfaction
	Moderator: Robert T. Trousdale, MD (Rochester, MN)		Moderator: William L. Griffin, MD (Charlotte, NC)
	Panel: Kevin L. Garvin, MD (Omaha, NE); William L. Griffin, MD (Charlotte, NC); Douglas D.R. Naudie, MD (London, ON, Canada); Carlos J. Lavernia, MD (South Miami, FL)	2:46 pm – 2:52 pm	Is It Expectation? Matthew J. Kraay, MD (Cleveland, OH)
12:00 pm – 1:00 pm	Lunch (provided to all registered participants)	2:53 pm – 2:59 pm	How Do We Measure It? Philip C. Noble, PhD (Houston, TX)
