## How to Register

1. Online at aaos.org/TotalKnee2019
2. Call AAOS Customer Service at 1-800-626-6726 from 8:00 am to 5:00 pm CT.

## Hotel

- Hampton Inn & Suites
  - 9480 W. Higgins Road, Rosemont, IL 60018
  - Phone: 1-847-631-3000

## Accreditation Statement

The American Academy of Orthopaedic Surgeons is accredited by the Accreditation Council for Continuing Medical Education to provide continuing medical education (CME) for physicians.

## AMA Credit Designation Statement

AAOS designates this activity as a maximum of 17 AMA PRA Category 1 Credit™. Physicians should only the credits commensurate with the extent of their participation in the activity.

## Obtaining CME Credit

Course participants must complete and submit an online evaluation form to receive CME credit.

## Housing Deadline

September 12, 2019

## Room Rate

$139/night (plus applicable taxes)

## Single or Double occupancy

Group Code: AH1

The Hampton Inn offers the following amenities: free shuttle service to and from O’Hare Airport, complimentary hot breakfast, free Wi-Fi, swimming pool, exercise room, and a business center.

## Accreditation Statement

The American Academy of Orthopaedic Surgeons is accredited by the Accreditation Council for Continuing Medical Education to provide continuing medical education (CME) for physicians.

AAOS Innovative Surgical Techniques in Knee Arthroplasty: Early Intervention to Revision

Elevate your surgical skills and expand your approaches for partial, primary, and revision knee replacement

Top knee surgeons lead you through the current best practices and new technologies to bring you up to speed and enhance your patient outcomes.

Learn it. Watch it. Practice it.

Learn how treatment methods for TKA have evolved, from core concepts and patient optimization to controversies and hands-on techniques.

1. Learn techniques through lectures and case reviews
2. Watch pre-recorded demonstration videos
3. Practice new surgical skills in the state-of-the-art cadaver lab

Network with peers and faculty through small group sessions to discuss relevant cases, including your own challenges.

Look forward to:
- New! Increased lab time in four key areas: unicompartmental, total, revision and new technology
- Hands-on practice with new robotic technology and patient specific instrumentation
- Practice management updates, including outpatient knee arthroplasty

“This course improved my confidence for approaching problems – both from reinforcing that I’m doing the right thing, to expanding my knowledge and surgical skills for addressing these clinical problems.”

– 2018 Course Participant

Thursday, September 26 (Afternoon Only)

PERI-OPERATIVE PATIENT OPTIMIZATION IN KNEE ARthroplasty
Patient Optimization for Knee Arthroplasty: What issues are important?
BMI Cut-offs and Managing Obesity
Smoking and the Arthroplasty Patient
A Practical Blood Management Strategy to Avoid Transfusions
A Contemporary Multi-modal Approach to Post-op Pain Management
DVT Prophylaxis in 2019: Risk Stratification

Small Group Case-Based Discussion: Surgical Treatment of Knee Arthritis

HANDS-ON SURGICAL SKILLS LAB #1
Medial Unicompartmental Knee Arthroplasty
Patellofemoral Arthroplasty

TKA FUNDAMENTALS
Measured Resection vs. Gap Balancing TKA: Don’t We All Balance the Gaps?
CR, PS, CS – What Should I Do?
Varus-Valgus Releases
The Complex Primary TKA: Dealing with Old Incisions and Hardware
The Complex Primary TKA: Dealing with Deformity

HANDS-ON SURGICAL SKILLS LAB #2
Primary Total Knee Arthroplasty

Working Lunch: New Technology in Arthroplasty
Mechanical Instruments vs. Navigation; Computer Navigation; Custom Guides in TKA; Custom Implants in TKA; Robotic-assisted TKA; Hand Held Accelerometer Based Navigation

CONTROVERSIAL TOPICS IN TKA
Current Concepts in TKA:
Neutral vs. Anatomic Alignment
Cementless TKA
Component Rotation in TKA
Metal Allergy in TKA
Bicruciate Preserving TKA
The Patella: To Resurfacce or Not to Resurface?
Panel Discussion with Audience Questions & Answers

Friday, September 27

SURGICAL TREATMENT OF KNEE ARTHRITIS: Unicompartmental Arthroplasty
Patient Selection for UKA: What Does the Data Tell Us?
PRE-RECORDED DEMONSTRATION VIDEOS
Medial Compartment UKA with Conventional Instrumentation; Patellofemoral Arthroplasty; Robotic-assisted UKA; UKA Complications & Common Pitfalls

HANDS-ON SURGICAL SKILLS LAB #3
New Technology for Primary Total Knee Arthroplasty
Hands-on Breakout Sessions: Select Several Stations to Experience!
Patient Specific Instrumentation, Robotics, Navigation, and More!

AVOIDING AND MANAGING COMPLEX PROBLEMS
Wound Closure Techniques: Minimizing the Risks of Complications
Intraoperative MCL Injury
Intraoperative Patellar Tendon Disruption
Evaluation And Management of Periprosthetic Fractures
Prolonged Opioid Usage and Narcotic Dependence

PRACTICE MANAGEMENT
Is Physical Therapy Really Needed After TKA?
Outpatient Knee Arthroplasty: Key Elements
Safety Selecting Patients for Early Discharge
Avoiding Readmissions
Succeeding in a Bundled Care Environment

Saturday, September 28 (Morning Only)

REVISION TKA: CORE CONCEPTS
Evaluation of the Painful TKA
Basic Principles and Planning, and Extensive Approaches for Revision TKA
Removal of Implants
Stem Fixation in Revision TKA: Cemented or Pressfit
Choosing the Level of Constraint in Revision TKA
Conversion UKA to TKA

REVISION TKA: Management of Bone Loss and Extensor Mechanism Disruption
Management of Bone Defects: Porous Metal Metaphyseal Cones
PRE-RECORDED DEMONSTRATION VIDEOS
Management of Bone Defects: Porous Titanium Lobed Cones
Conversion UKA to TKA

REVISION TKA: Exposure, Implant Removal, Instrumentation, Augments

HANDS-ON SURGICAL SKILLS LAB #4
Revision TKA: Exposure, Implant Removal, Instrumentation, Augments

PERIPROSTHETIC TKA INFECTION
Preoperative, Intraoperative, and Postoperative Infection Prevention
Making the Diagnosis of Periprosthetic Joint Infection

PRE-RECORDED DEMONSTRATION VIDEOS
Two Stage Debridement with Antibiotics Beads for Acute PJIs; Articulating Spacers Using Conventional Components; Modular Pre-Formed Articulating Spacer

Register at aaos.org/TotalKnee2019 or call AAOS Customer Service at 800.626.6726

Earn 17 CME Credits
