Information for Exhibitors

Arrival:

Freight must arrive between the hours of 8:00 a.m. and 4:00 p.m., Monday – Friday and may not arrive more than five (5) days prior to the start date of the conference. Any shipment arriving greater than 5 days in advance will be charged a \$25.00 storage fee per shipment per day. All shipments are delivered to the Grand Summit Loading Dock.

We understand that some freight requires special delivery. There is a freight delivery door located in the Kokopelli Ballroom. Please check with the Conference Services Manager to see if the door is available to accept the deliveries. Only deliveries with prior approval by the Conference Services Manager will be accepted at this location. Due to the heated pavement leading up to this door, there are weight restrictions on vehicles delivering to this area only. Semi Trucks are prohibited to enter the Grand Summit Hotel Arrival Drive. Forklift services are also available for special deliveries and must be pre arranged a month in advance. Please note this is only for items that cannot be moved through the hotel.
