Solicitations

Detection and Nonoperative Management of Pediatric Developmental Dysplasia of the Hip in Infants Up to Six Months of Age - Appropriate Use Criteria Writing Panel

The American Academy of Orthopaedic Surgeons is currently seeking AAOS fellows to participate in the Appropriate Use Criteria for Management of DDH writing panel.

If you are interested in having your organization participate in the development of this Appropriate Use Criteria, please contact Mary DeMars at demars@aaos.org for more details. Applications will be accepted until Wednesday, February 1, 2016.

Appropriate Use Criteria in Progress

Detection and Nonoperative Management of Pediatric Developmental Dysplasia of the Hip in Infants Up to Six Months of Age - DDH

In the AAOS solicitation process.

Management of Osteoarthritis of the Hip - OA

Work group is being assembled.
Clinical Practice Guidelines in Progress

Osteoarthritis of the Hip
In peer review/public comment stage.

Participating Societies:
- American Academy of Orthopaedic Surgeons
- American Association of Hip and Knee Surgeons
- American College of Radiology
- American Physical Therapy Association
- The Hip Society
- Limb Lengthening and Reconstruction Society
- Pediatric Orthopaedic Society of North America

Rotator Cuff
Work group is being assembled.

Participating Societies:
- American Academy of Orthopaedic Surgeons
- American Academy of Family Physicians
- American Physical Therapy Association
- American College of Sports Medicine
- American Society of Shoulder and Elbow Therapists
- American Orthopaedic Society for Sports Medicine

Periprosthetic Joint Infections of the Hip and Knee
Work group is formulating PICO Questions.

Participating Societies:
- American Academy of Orthopaedic Surgeons
- The Knee Society
- The Hip Society
- American Association of Hip and Knee Surgeons
- Society of Nuclear Medicine and Molecular Imaging
- College of American Pathologists
- American College of Radiology
- American Society for Clinical Pathology
- American Society of Microbiology and Infectious Diseases Society of America

Systematic Review in Progress

Management of Post-Operative Surgical Site Infections- SSI
AAOS Staff is currently reviewing the literature for this Systematic Review.

Participating Societies:
- American Academy of Orthopaedic Surgeons
- American College of Radiology
- American Orthopaedic Society of Sports Medicine
- American Physical Therapy Association
- Infectious Diseases Society of America
- Musculoskeletal Infection Society
- Orthopaedic Trauma Association
- Pediatric Orthopaedic Society of North America
- The Hip Society
Performance Measures in Progress

**Osteoarthritis: Function and Pain Assessment - OAFP**

Measure #109: AAOS approval process

PRO-PM: Measure specification development

**Participating Societies:**

- American Academy of Orthopaedic Surgeons
- American Academy of Family Physicians
- American Academy of Physical Medicine and Rehabilitation
- American College of Rheumatology
- American Medical Society for Sports Medicine
- American Orthopaedic Foot and Ankle Society
- American Orthopaedic Society for Sports Medicine
- American Osteopathic Academy of Orthopaedics
- American Physical Therapy Association
- Arthritis Foundation
- Osteoarthritis Research Society International
- U.S. Bone and Joint Initiative

**Management of Hip Fractures in the Elderly - MHFE**

Beginning Stages of Measure Testing

**Participating Societies:**

- American Academy of Orthopaedic Surgeons
- American Academy of Physical Medicine and Rehabilitation
- American Academy of Emergency Physicians
- American Geriatrics Society
- American Orthopaedic Association
- American Physical Therapy Association
- National Association of Orthopaedic Nurses
- National Bone Health Alliance
- Orthopaedic Trauma Association
- U.S. Bone and Joint Initiative

**Management of Anterior Cruciate Ligament Injuries – ACL**

Finalizing draft measure specifications

**Participating Societies:**

- American Academy of Orthopaedic Surgeons
- American Academy of Physical Medicine and Rehabilitation
- American Academy of Emergency Physicians
- American Medical Society of Sports Medicine
- American Orthopaedic Society for Sports Medicine
- American Osteopathic Academy of Orthopaedics
- American Physical Therapy Association
- American Society of Anesthesiologists
- Arthroscopy Association of North America
- National Association of Orthopaedic Nurses
- National Athletic Trainers Association
- Pediatric Orthopaedic Society of North America
- Ruth Jackson Orthopaedic Society
- Society of Military Orthopaedic Surgeons
- Society of Skeletal Radiology
- U.S. Bone and Joint Initiative

**Surgical Management of Osteoarthritis of the Knee—SMOAK**

Leadership has selected work group members and are awaiting members acceptance
Clinical Practice Guidelines & Systematic Reviews

1. Nominate Guideline Topic
2. Solicitation, Nominate, & Appoint Work Group
3. Work Group Formulates PICO Questions

- Management of Rotator Cuff

4. AAOS Staff Literature Review
5. Work Group Assess Literature Findings
6. Work Group Develops Final Recommendations

- Post-Operative Surgical Site Infections Systematic Review
- Periprosthetic Joint Infections of the Hip and Knee

7. Peer Review & Review by Work Group
8. Public Comment
9. Approval, Communication, Dissemination, & Implementation

- Osteoarthritis of the Hip

Status of Current Project
Appropriate Use Criteria

1. Topic Selection
2. Solicitation, Nominate, & Appoint Writing Panel
3. Writing Panel Develops Criteria & AAOS Staff Reviews Literature

- Management of Osteoarthritis of the Hip
- Detection and Nonoperative Management of Pediatric Developmental Dysplasia of the Hip in Infants Up to Six Months of Age

4. Solicitation, Nominate, & Appoint Voting Panel
5. Voting Panel Rates Criteria Independently
6. Voting Panel Discrepancy Discussion

- Surgical Management of Osteoarthritis of the Knee
- Management of Carpal Tunnel Syndrome
Performance Measures

- Osteoarthritis of the Hip - Slated for 2017
- Rotator Cuff - Slated for 2017
- Surgical Management of Osteoarthritis of the Knee
- Management of Anterior Cruciate Ligament Injuries
- Osteoarthritis: Function & Pain (PRO-PM)
- Management of Hip Fractures in the Elderly
- Surgical Management of Osteoarthritis of the Knee
- Management of Hip Fractures in the Elderly
- Osteoarthritis: Function & Pain Assessment (PQRS #109)

Published Projects

Appropriate Use Criteria

Surgical Management of Osteoarthritis of the Knee
Approved December 9, 2016

Management of Carpal Tunnel Syndrome
Approved December 9, 2016

Management of Patients with Orthopaedic Implants Undergoing Dental Procedures
Approved September 23, 2016

Diagnosis and Treatment of Osteochondritis Dissecans
Approved December 4, 2015

Hip Fractures in Elderly Patients: Acute Treatment and Hip Fractures in Elderly Patients: Postoperative/Rehab
Approved December 4, 2015

Prevention of Anterior Cruciate Ligament Injuries and Treatment of Anterior Cruciate Ligament Injuries
Approved October 2, 2015

Pediatric Supracondylar Humerus Fractures with Vascular Injury
Approved June 12, 2015

Pediatric Supracondylar Humerus Fractures
Approved September 5, 2014

Non-Arthroplasty Treatment of Osteoarthritis of the Knee
Approved December 6, 2013

Optimizing the Management of Full-Thickness Rotator Cuff Tears
Approved September 20, 2013

Treatment of Distal Radius Fractures
Approved March 18, 2013
Clinical Practice Guidelines

Diagnosis and Treatment of Carpal Tunnel Syndrome
Approved February 29, 2016
Endorsed By:
- American College of Radiology
- American Society for Surgery of the Hand
- American Society of Plastic Surgeons

Surgical Management of Osteoarthritis of the Knee
Approved December 4, 2015
Supported By:
- American Society of Anesthesiologists

Endorsed By:
- American Association of Hip and Knee Surgeons
- American College of Radiology
- American Geriatric Society
- Arthroscopy Association of North America
- The Knee Society
- The Society of Military Orthopaedic Surgeons

Management of Hip Fractures in the Elderly
Approved September 5, 2014
Endorsed By:
- American Academy of Physical Medicine and Rehabilitation
- American Association of Clinical Endocrinologists
- The American Geriatrics Society
- The Hip Society
- Orthopaedic Rehabilitation Association
- Orthopaedic Trauma Association
- United States Bone and Joint Initiative

Management of Anterior Cruciate Ligament Injuries
Approved September 5, 2014
Endorsed By:
- American Academy of Physical Medicine and Rehabilitation
- The American Orthopaedic Society for Sports and Medicine
- National Academy of Sports Medicine
- National Athletic Trainers Association

Detection and Nonoperative Management of Pediatric Developmental Dysplasia of the Hip in Infants up to Six Months of Age
Approved September 5, 2014
Endorsed By:
- American Academy of Pediatrics
- The Pediatric Orthopaedic Society of North America
- The Society of Diagnostic Medical Sonography
- The Society of Pediatric Radiology

Treatment of Osteoarthritis of the Knee
Approved May 18, 2013

Prevention of Orthopaedic Implant Infection in Patients Undergoing Dental Procedures
Approved December 7, 2012
Preventing Venous Thromboembolic Disease in Patients Undergoing Elective Hip and Knee Arthroplasty
Approved September 24, 2011

The Treatment of Pediatric Supracondylar Humerus Fractures
Approved September 24, 2011

Diagnosis and Treatment of Osteochondritis Dissecans
Approved December 4, 2010

Optimizing the Management of Rotator Cuff Problems
Approved December 4, 2010

Treatment of Symptomatic Osteoporotic Spinal Compression Fractures
Approved September 24, 2010

Diagnosis of Periprosthetic Joint Infections of the Hip and Knee
Approved June 18, 2010

Treatment of Distal Radius Fractures
Approved December 5, 2009

Diagnosis and Treatment of Acute Achilles Tendon Rupture
Approved December 4, 2009

Treatment of Glenohumeral Joint Osteoarthritis
Approved December 5, 2009

Treatment of Pediatric Diaphyseal Femur Fractures
Approved June 19, 2009

  Endorsed By:
  • Pediatric Orthopaedic Society of North America

Treatment of Carpal Tunnel Syndrome
Approved September 12, 2008

  Endorsed By:
  • American Academy of Physical Medicine and Rehabilitation
  • American Association of Neuromuscular & Electrodiagnostic Medicine
  • American Association of Neurological Surgeons
  • American Society of Plastic Surgeons
  • Congress of Neurological Surgeons

Diagnosis of Carpal Tunnel Syndrome
Approved May 18, 2007

  Endorsed By:
  • American Academy of Physical Medicine and Rehabilitation
  • American Association of Neuromuscular & Electrodiagnostic Medicine
  • American Society of Plastic Surgeons

Performance Measures

PQRS Measure #109: Osteoarthritis (OA): Function and Pain Assessment
Appropriate Use Criteria

AUCs are based on CPGs and take about 1 year to complete.
Approximate time for AUC completion from beginning to end, not including approval period, is 8-9 months.

The final AUC is reviewed and approved by:
- Evidence-Based Quality and Value (EBQV) Committee
- Council on Research and Quality
- AAOS Board of Directors
The Final Clinical Practice Guideline is Reviewed and Approved by:

- Work Group
- Evidence-Based Quality and Value (EBQV) Committee
- Council on Research and Quality (CORQ)
- AAOS Board of Directors
Performance Measures

Performance Measure development takes approximately 18 months to complete.

The final Performance Measure set is reviewed and approved by:
- Work Group
- Performance Measures Committee
- Council on Research and Quality
- AAOS Board of Directors

Should you have any questions or for further assistance, please contact Mary DeMars at 847.384-4339 or demars@aaos.org
