VOLUNTEERS NEEDED - Surveillance of Local Recurrence and Distant Metastasis after Surgical Treatment of Bone and Soft Tissue Sarcomas - Appropriate Use Criteria Voting Panel

The Musculoskeletal Tumor Society is working with the American Academy of Orthopaedic Surgeons Evidence-Based Medicine Unit to develop an Appropriate Use Criteria for the Surveillance of Local Recurrence and Distant Metastasis after Surgical Treatment of Bone and Soft Tissue Sarcomas. We are currently seeking fellows to participate on the voting panel for this project.

If you are interested in participating in the development of this Appropriate Use Criteria, please contact Mary DeMars at demars@aaos.org for more details. Applications will be accepted until July 28, 2017.

Looking for information and resources for the Quality Payment Program, MIPS or APMs? Check out the MACRA & Delivery Reform Information Center by visiting www.aaos.org/MACRA-DeliveryReform/

2017 Orthopaedic Preferred Set of Specialty Measures (OPS List)

The Performance Measures Unit has finalized the 2017 Orthopaedic Preferred Set of Specialty Measures (OPS) that orthopaedic surgeons can use to comply with the Quality component of the MIPS reporting requirements.

Questions? Should you have any questions or for further information, please contact Mary DeMars at 847.384.4339 or demars@aaos.org.

If you would like to be added to the mailing list, please send an email to ebm@aaos.org. You can also unsubscribe from this list by sending an email to ebm@aaos.org.
### Appropriate Use Criteria in Progress

#### Detection and Nonoperative Management of Pediatric Developmental Dysplasia of the Hip in Infants Up to Six Months of Age – DDH

Voting panel is being assembled. Participating Societies:
- American Academy of Orthopaedic Surgeons
- American Academy of Family Physicians
- American Academy of Pediatrics
- American College of Radiology
- American Institute of Ultrasound in Medicine
- Pediatric Orthopaedic Society of North America
- Society for Pediatric Radiology
- Society of Diagnostic Medical Sonography

#### Management of Osteoarthritis of the Hip – OA

Voting panel is being assembled. Participating Societies:
- American Academy of Orthopaedic Surgeons
- American Association of Hip and Knee Surgeons
- American College of Physicians
- American College of Radiology
- American Orthopaedic Society for Sports Medicine
- American Physical Therapy Association
- Arthroscopy Association of North America
- Pediatric Orthopaedic Society of North America
- The Hip Society

### Clinical Practice Guidelines in Progress

#### Rotator Cuff – RC

Literature review is underway. Participating Societies:
- American Academy of Orthopaedic Surgeons
- American Academy of Family Physicians
- American College of Sports Medicine
- American Orthopaedic Society for Sports Medicine
- American Physical Therapy Association
- American Shoulder and Elbow Surgeons
- American Society of Shoulder and Elbow Therapists

#### Periprosthetic Joint Infections of the Hip and Knee – PJI

Literature review is underway. Participating Societies:
- American Academy of Orthopaedic Surgeons
- American Association of Hip and Knee Surgeons
- American College of Radiology
- American Society for Clinical Pathology
- American Society of Microbiology and Infectious Diseases Society of America
- College of American Pathologists
- Society of Nuclear Medicine and Molecular Imaging
- The Hip Society
- The Knee Society
Systematic Review in Progress

Management of Post-Operative Surgical Site Infections – SSI
Work Group is assessing literature findings for this Systematic Review.

Participating Societies:
- American Academy of Orthopaedic Surgeons
- American College of Radiology
- American Orthopaedic Society of Sports Medicine
- American Physical Therapy Association
- Infectious Diseases Society of America
- Musculoskeletal Infection Society
- Orthopaedic Trauma Association
- Pediatric Orthopaedic Society of North America
- The Hip Society

Performance Measures in Progress

Osteoarthritis: Function and Pain Assessment – OAFP
Measure #109: AAOS approval process

Participating Societies:
- American Academy of Orthopaedic Surgeons
- American Academy of Family Physicians
- American Academy of Physical Medicine and Rehabilitation
- American College of Rheumatology
- American Medical Society for Sports Medicine
- American Orthopaedic Foot and Ankle Society
- American Orthopaedic Society for Sports Medicine
- American Osteopathic Academy of Orthopedics
- American Physical Therapy Association
- Arthritis Foundation
- Osteoarthritis Research Society International
- U.S. Bone and Joint Initiative

Management of Hip Fractures in the Elderly – MHFE
Data has been acquired and measure testing has begun

Participating Societies:
- American Academy of Orthopaedic Surgeons
- American Academy of Emergency Physicians
- American Academy of Physical Medicine and Rehabilitation
- American Geriatrics Society
- American Orthopaedic Association
- American Physical Therapy Association
- National Association of Orthopaedic Nurses
- Orthopaedic Trauma Association
- U.S. Bone and Joint Initiative
Management of Anterior Cruciate Ligament Injuries – ACL
Finalizing draft measure specifications and working to secure data sources for testing

Participating Societies:
- American Academy of Orthopaedic Surgeons
- American Academy of Emergency Physicians
- American Academy of Physical Medicine and Rehabilitation
- American Medical Society for Sports Medicine
- American Orthopaedic Society for Sports Medicine
- American Osteopathic Academy of Orthopedics
- American Physical Therapy Association
- American Society of Anesthesiologists
- Arthroscopy Association of North America
- National Association of Orthopaedic Nurses
- National Athletic Trainers Association
- Pediatric Orthopaedic Society of North America
- Ruth Jackson Orthopaedic Society
- Society of Military Orthopaedic Surgeons
- Society of Skeletal Radiology
- U.S. Bone and Joint Initiative

Management of Carpal Tunnel Syndrome – CTS*
*Collaborative project between AAOS and ASSH
Measure testing.

Participating Societies:
- American Academy of Orthopaedic Surgeons
- American Academy of Emergency Physicians
- American Academy of Physical Medicine and Rehabilitation
- American Medical Society for Sports Medicine
- American Orthopaedic Society for Sports Medicine
- American Osteopathic Academy of Orthopedics
- American Physical Therapy Association
- American Society of Anesthesiologists
- Arthroscopy Association of North America
- National Association of Orthopaedic Nurses
- National Athletic Trainers Association
- Pediatric Orthopaedic Society of North America
- Ruth Jackson Orthopaedic Society
- Society of Military Orthopaedic Surgeons
- Society of Skeletal Radiology
- U.S. Bone and Joint Initiative

Surgical Management of Osteoarthritis of the Knee – SMOAK
Measure Conceptualization

Participating Societies:
- American Academy of Orthopaedic Surgeons
- American Academy of Physical Medicine and Rehabilitation
- American Association of Hip and Knee Surgeons
- American College of Radiology
- American Geriatrics Society
- American Orthopaedic Society for Sports Medicine
- American Osteopathic Academy of Orthopedics
- American Physical Therapy Association
- National Association of Orthopaedic Nurses
- Osteoarthritis Research Society International
- Society of Military Orthopaedic Surgeons
- The Knee Society
Quality Consulting in Progress

Surveillance of Local Recurrence and Distant Metastasis after Surgical Treatment of Bone and Soft Tissue Sarcomas Systematic Review – MSTS SR
*Consulting with MSTS
Final calls are underway.

Participating Societies:
- American Academy of Orthopaedic Surgeons
- American Academy of Orthopaedic Surgeons
- Musculoskeletal Tumor Society
- American College of Radiology

Surveillance of Local Recurrence and Distant Metastasis after Surgical Treatment of Bone and Soft Tissue Sarcomas Appropriate Use Criteria – MSTS AUC
*Consulting with MSTS
Voting Panel is being assembled.

Participating Societies:
- American Academy of Orthopaedic Surgeons
- Musculoskeletal Tumor Society
- American College of Radiology
- Connective Tissue Oncology Society
- Society of Surgical Oncology

Status of Current Projects

Appropriate Use Criteria

1. Topic Selection
2. Solicitation, Nominate, & Appoint Writing Panel
3. Writing Panel Develops Criteria & AAOS Staff Reviews Literature

4. Solicitation, Nominate, & Appoint Voting Panel
5. Voting Panel Rates Criteria Independently
6. Voting Panel Discrepancy Discussion

- Detection and Nonoperative Management of Pediatric Developmental Dysplasia of the Hip in Infants Up to Six Months of Age
- Management of Osteoarthritis of the Hip

- Surveillance of Local Recurrence and Distant Metastasis after Surgical Treatment of Bone and Soft Tissue Sarcomas

7. Approval
8. Publication
Performance Measures

- Osteoarthritis of the Hip  - Slated for 2017
- Rotator Cuff  - Slated for 2018
Management of Patients with Orthopaedic Implants Undergoing Dental Procedures
Approved September 23, 2016

Diagnosis and Treatment of Osteochondritis Dissecans
Approved December 4, 2015

Hip Fractures in Elderly Patients: Acute Treatment and Hip Fractures in Elderly Patients: Postoperative/Rehab
Approved December 4, 2015

Surgical Management of Osteoarthritis of the Knee
Approved December 9, 2016

Management of Carpal Tunnel Syndrome
Approved December 9, 2016

Management of Patients with Orthopaedic Implants Undergoing Dental Procedures
Approved September 23, 2016

Diagnosis and Treatment of Osteochondritis Dissecans
Approved December 4, 2015

Management of Hip Fractures in the Elderly
Approved December 4, 2015

Published Projects

Appropriate Use Criteria

Surgical Management of Osteoarthritis of the Knee
Approved December 9, 2016

Management of Carpal Tunnel Syndrome
Approved December 9, 2016

Management of Patients with Orthopaedic Implants Undergoing Dental Procedures
Approved September 23, 2016

Diagnosis and Treatment of Osteochondritis Dissecans
Approved December 4, 2015

Hip Fractures in Elderly Patients: Acute Treatment and Hip Fractures in Elderly Patients: Postoperative/Rehab
Approved December 4, 2015

Prevention of Anterior Cruciate Ligament Injuries and Treatment of Anterior Cruciate Ligament Injuries
Approved October 2, 2015

Pediatric Supracondylar Humerus Fractures
Approved September 5, 2014

Non-Arthroplasty Treatment of Osteoarthritis of the Knee
Approved December 6, 2013

Optimizing the Management of Full-Thickness Rotator Cuff Tears
Approved September 20, 2013

Treatment of Distal Radius Fractures
Approved March 18, 2013

Osteoarthritis: Function & Pain Assessment (PQRS #109)
Clinical Practice Guidelines

Management of Osteoarthritis of the Hip
Approved March 13, 2017
Endorsed By:
- American College of Radiology
- American Physical Therapy Association
- The Pediatric Orthopaedic Society of North America

Diagnosis and Treatment of Carpal Tunnel Syndrome
Approved February 29, 2016
Endorsed By:
- American College of Radiology
- American Society for Surgery of the Hand
- American Society of Anesthesiologists
- American Society of Plastic Surgeons

Surgical Management of Osteoarthritis of the Knee
Approved December 4, 2015
Supported By:
- American Society of Anesthesiologists

Endorsed By:
- American Association of Hip and Knee Surgeons
- American College of Radiology
- American Geriatric Society
- Arthroscopy Association of North America
- The Knee Society
- The Society of Military Orthopaedic Surgeons

Management of Hip Fractures in the Elderly
Approved September 5, 2014
Endorsed By:
- American Academy of Physical Medicine and Rehabilitation
- American Association of Clinical Endocrinologists
- The American Geriatrics Society
- The Hip Society
- Orthopaedic Rehabilitation Association
- Orthopaedic Trauma Association
- United States Bone and Joint Initiative

Treatment of Osteoarthritis of the Knee
Approved May 18, 2013

Prevention of Orthopaedic Implant Infection in Patients Undergoing Dental Procedures
Approved December 7, 2012

Preventing Venous Thromboembolic Disease in Patients Undergoing Elective Hip and Knee Arthroplasty
Approved September 24, 2011

The Treatment of Pediatric Supracondylar Humerus Fractures
Approved September 24, 2011

Optimizing the Management of Rotator Cuff Problems
Approved December 4, 2010

Treatment of Symptomatic Osteoporotic Spinal Compression Fractures
Approved September 24, 2010

Diagnosis and Treatment of Periprosthetic Joint Infections of the Hip and Knee
Approved June 18, 2010

Treatment of Distal Radius Fractures
Approved December 5, 2009

Diagnosis and Treatment of Acute Achilles Tendon Rupture
Approved December 4, 2009

Treatment of Glenohumeral Joint Osteoarthritis
Approved December 5, 2009

Treatment of Pediatric Diaphyseal Femur Fractures
Approved June 19, 2009
Endorsed By:
- Pediatric Orthopaedic Society of North America
Management of Anterior Cruciate Ligament Injuries
Approved September 5, 2014
Endorsed By:
- American Academy of Physical Medicine and Rehabilitation
- The American Orthopaedic Society for Sports and Medicine
- National Academy of Sports Medicine
- National Athletic Trainers Association

Detection and Nonoperative Management of Pediatric Developmental Dysplasia of the Hip in Infants up to Six Months of Age
Approved September 5, 2014
Endorsed By:
- American Academy of Pediatrics
- The Pediatric Orthopaedic Society of North America
- The Society of Diagnostic Medical Sonography
- The Society of Pediatric Radiology

Treatment of Carpal Tunnel Syndrome
Approved September 12, 2008
Endorsed By:
- American Academy of Physical Medicine and Rehabilitation
- American Association of Neuromuscular & Electrodiagnostic Medicine
- American Association of Neurological Surgeons
- American Society of Plastic Surgeons
- Congress of Neurological Surgeons

Diagnosis of Carpal Tunnel Syndrome
Approved May 18, 2007
Endorsed By:
- American Academy of Physical Medicine and Rehabilitation
- American Association of Neuromuscular & Electrodiagnostic Medicine
- American Society of Plastic Surgeons

Performance Measures

Measure #109: Osteoarthritis (OA): Function and Pain Assessment
2017 Orthopaedic Preferred Set of Specialty Measures (OPS)
Patient Reported Outcome Measures (PROM)
AUCs are based on CPGs and take about 1 year to complete
Approximate time for AUC completion from beginning to end, not including approval period, is 8-9 months

The final AUC is reviewed and approved by:
- Evidence-Based Quality and Value (EBQV) Committee
- Council on Research and Quality
- AAOS Board of Directors
The Final Clinical Practice Guideline is Reviewed and Approved by:

- Work Group
- Evidence-Based Quality and Value (EBQV) Committee
- Council on Research and Quality (CORQ)
- AAOS Board of Directors
Performance Measure development takes approximately 18 months to complete.

The final Performance Measure set is reviewed and approved by:
- Work Group
- Performance Measures Committee
- Council on Research and Quality
- AAOS Board of Directors
