Case Presentation Courses provide an excellent format for discussion and learning.

Participate in a case presentation roundtable led by expert faculty!

The moderator presents the case; then the facilitator, you, and your fellow roundtable participants discuss the case, viewing images and key data via laptop. All tables then report their conclusions. The moderator will present the final solution, using evidence-based data and teaching points with references to support the selected treatment.

Four to five cases will be discussed during each of these 2-hour courses.

**New Cases for 2016!**

Management of Intrinsic Total Joint Arthroplasty in 2016 – Where Do We Stand Now? Moderator: Thomas J. Pellicci, MD

How to Approach and Treat Metastatic Disease – Interactive and Case-based Discussion Moderators: Melissa C. Lewis, MD; Vern E. Simeone, MD

  Moderator: Susan A. Scherl, MD

Get ready to recharge at these all-new, high-impact sessions.

**Flash Five**

A 5-minute burst of knowledge! Fast and focused, each expert takes on a hot topic—and drills down to the most critical points and takeaways. Supporting slides auto-advance to illustrate the message and keep the pace. Each presenter brings you a concentrated dose of insight at this 1-hour session.

“The Way I See It...”

No podiums, but plenty of passion. Learn the “whys” of what the experts do. Benefit from the inside story—what each presenter wants you to know about a top-of-mind issue. Experts share their candid, personal points of view, “just the way they see it,” at this 1-hour session.

Showdowns

YOU decide who wins when orthopaedic colleagues debate topics and techniques that demonstrate their personal points of view. Join us on Thursday and Friday for these engaging 1-hour events where you declare the winner via the Audience Response System.

Get ready for a great meeting. Orlando is ready for the AAOS!

Look forward to attaining all of your personal educational objectives at our new Orlando venue, which is designed so you can efficiently navigate and manage your time.

AAOS Member Housing is open now.

Reserve a room that is steps away from the Orange County Convention Center—or choose a hotel near Sea World®, Universal Orlando®, or another popular attraction.

Either way, all “official” AAOS hotels that are not within walking distance offer free shuttle service to the convention center. Get the best selection now. Reserve a room at an “official” AAOS hotel at www.aaos.org/housing

Check the Preliminary Program for specific dates and times at www.aaos.org/amprograms

AAOS Member Registration opens October 21!

Watch for announcements and get the latest Annual Meeting details at www.aaos.org/am
